Community/School Challenge

Your school or organization can earn free training. Contact The Autism Project to participate at 401-785-2666 x1023

You have the power to change the lives of children with autism in our schools. All you have to do is walk for it!

Although we all love pets, we respectfully ask you to **leave your dogs home** this year. Many individuals with autism are afraid of dogs, and this day is for them.
