# The RI Regional Transition Centers.....

## *Meeting the Need for Transition Information and Services*

## *Improving Student Outcomes*

Educators, parents, agencies or businesses may contact any of the Regional Transition Centers for information, assistance and support in preparing 14 to 21 year old students for a successful transition from school to adult life.

We offer....

- *Professional development and technical assistance to schools, agencies and businesses*
- *Regional workshops on a variety of transition topics*
- *A lending library of transition-related curriculum, information and resources*
- *School-based workshops for educators, students and families*
- *Individual support and referral services*
- *Career exploration and vocational assessment services for students*
- *Transition-related services and programs for students*

The RI Regional Transition Centers work in partnership with:  
\* RI Department of Education    \* Office of Rehabilitation Services  
\* RI Parent Information Network    \* Local School Districts  
\* Paul V. Sherlock Center on Disabilities at RI College

The Regional Transition Centers are funded by the RI Department of Education Office of Special Populations and the RI Department of Human Services, Office of Rehabilitation Services
