Experience a once in a lifetime opportunity to golf at the exclusive Carnegie Abbey. Enjoy the panoramic views of the water while playing on the Scottish-styled course.

We are also offering spa packages for the non-golfers. Carnegie Abbey has a full service spa with luxurious treatments, including massages, manicures and pedicures.

Lunch will be served prior to tee off. We will have an exciting luxury car as a hole-in-one prize as well as other contests throughout the tournament. Immediately following golf, there will be a dinner and auction.

Autism is a growing epidemic in this country. Based on statistics from the U.S. Department of Education and other governmental agencies, **1 out of every 150** children born today will have autism. At this rate, the Autism Society of America estimates that autism could touch **4 million** young Americans in the next decade.

It is the mission of The Autism Project to develop programs and resources that meet the needs and enrich the lives of individuals with autism and help them reach their highest potential.

All proceeds from **Drive Fore Autism** will support our programs for individuals with autism.

Space is limited, so sign up today!

For the serious golfer, call us about the Newport Challenge! It is an exciting opportunity to experience some of the areas best golf courses.
